

# CARTER NARROW GAUGE CHRONICLES

---

The Newsletter of the Society for the Preservation of Carter Railroad Resources

---

Volume 24 Number 1

January 2006

## JANUARY WORK DAY

This month's workday will be Saturday January 14, 2006, from 10:00am to 5:00pm. Weather permitting we'll be working on the following projects: painting the new fence up front, clearing old ties and rail from the right-of-way, assessing the Ballast Car for further repairs, checking WSLCo 222 to see what parts need to be adjusted or fabricated on the brake system, and checking other cars to see what repairs and maintenance will be needed before the operating season begins in April.

## RESULTS OF THE ANNUAL MEETING

We had a very good holiday dinner and annual meeting in December. Good food, good company, and a very entertaining and instructive presentation by Bill Wulf on Teaming in the Santa Cruz Mountains. The slate of officers for 2006 was elected by acclamation, and Barbara Culp has agreed to again be our General Manager. So, the Board of Directors for 2006 is:

President:	Karen Blamor
Vice-President:	Ken Underhill
Secretary:	Andrew Cary
Treasurer:	Trudy Frank
Director-at-large:	Steve Blamor
Director-at-large:	John Stutz
General Manager:	Barbara Culp

The Society for the Preservation of Carter Railroad Resources is a registered 501(c)(3) non-profit organization. Membership dues and contributions are tax deductible.

The Carter Narrow Gauge Chronicles is the newsletter of the S.P.C.R.R. It is currently published on a monthly basis. The submission deadline is the 3<sup>rd</sup> Friday of each month – submissions should be sent to [newsletter@spcrr.org](mailto:newsletter@spcrr.org) or PO Box 783, Newark, CA, 94560.
