POLICY FOR STORING PRIVATE EQUIPMENT AT ARDENWOOD HISTORIC FARM

The purpose of this policy is to establish rules for the storing of privately-owned equipment within the SPCRR Car Barn, on the outside yard tracks, or elsewhere within the Park.

Policy – It is the policy of SPCRR that no private equipment, materials, or property be stored within the Car Barn, on any SPCRR track, any other SPCRR facility except for equipment brought to the Park for Rail Fair and other special events unless such equipment is covered by a long term lease agreement approved by the SPCRR Board of Directors. Equipment brought to the Park for such events shall not be transported into Ardenwood Historic Farm earlier than two (2) weeks prior to such events, and shall be transported out of Ardenwood Historic Farm within two (2) weeks after the conclusion of that event. Any extensions before or after an event must be in writing.
